Case Pack	4
Case/Pallet	12
Items/Pallet	48
Item Pallet Stack	Tl:3, Hl: 4
UN Hazard Code	N/A
Harmonized Tariff Code	9603.90.8050
Country of Origin	China
Item Size	29" x 7.38" x 5.13"
Item Weight	6.1 lbs
Case Size	29.5" x 15.13" x 10.63"
Case Weight	26.0 lbs
MSDS#	10005
Package Language	EN/SP/FR

Box Includes:

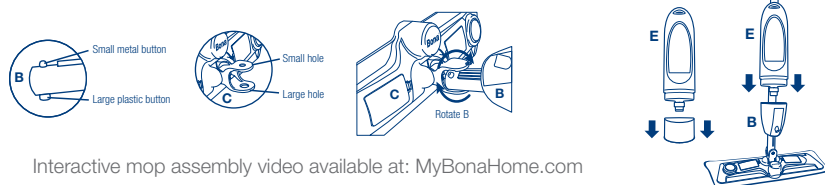

Directions:

1. Connect handle A and lower pole B.
 - Align the guide on B and the channel on A and snap together.
2. Slide the green locking sleeve upwards toward the handle A. Align channel and insert green locking sleeve until flush with handle A.

3. Attach lower pole B onto mop base C.
 - Insert large plastic button on lower pole B into large hole on mop base C. Rotate lower pole B until the small metal button snaps into the small hole.
4. Place cleaning pad D onto mop base C. (Blue side toward floor.)
5. Remove cap from hardwood floor cleaner E and click into place on mop.
 - Always store mop with the bottle inserted.
